

NSW Commercial Share Management Fisheries - Shareholding Information as at 25/05/2026

Important information and disclaimers:

Shareholdings change regularly due to share transfers, surrenders and forfeitures, so this information is accurate on the day of issue (as specified above) only. Financial decisions or commitments should not be made on the basis of this information alone. This information will be updated at the beginning of each month and posted on the NSW DPIRD 'Commercial Fishing' website until such time as a live version becomes available via FishOnline.
