

# Priority determination between endorsement holders using prawn running nets

Net sites for 1 October 2025 – 30 September 2026 - Coila Lake to Middle Lake

1 October 2025

## Introduction

In accordance with Division 3 of Part 7A of the *Fisheries Management (Estuary General Share Management Plan) Regulation 2006* the following endorsement holders are determined as having rights of priority in the setting of prawn running nets on the waters to which this Division applies for the fishing period 1 October 2025 to 30 September 2026, unless sooner revoked. This determination applies to fishers using both staked and/or non-staked (puddling) prawn running nets.

The location of endorsement holder (by fisher's name) determined as having priority to prawn running net shots for the fishing period are shown below and illustrated on the attached maps.
