

A stylized green fish graphic is positioned in the upper center of the slide. It is composed of thick green outlines, featuring a large eye, a simple fin, and a slightly open mouth. The background of the entire slide is a deep blue, decorated with a repeating pattern of lighter blue fish shapes and small white circles, suggesting bubbles or a school of fish. At the bottom, there are several thin, wavy lines in white and green, representing water or a horizon.

Where to from here?

NSW DEPARTMENT OF PRIMARY INDUSTRIES

Where to from here?

- **Options for making more fish**
- **Options for keeping in touch**

Options for making more fish

1. **Talk with other stakeholders**
2. **Involve your neighbours and your neighbours' neighbours**
3. **Apply for funds and resources**
4. **Plan well but start quickly**
5. **Spread the word in your community**

1. Talk with other stakeholders

- **partnerships key to success**
- **share the work load**
- **achieve shared goals**
- **get all the facts**

2. Involve your neighbours

- **works may be beneficial to them too**
- **more significant outcomes**
- **peer group influence**

3. Apply for funds & resources

■ Avenues for \$\$

- Recreational Fishing Trusts
- Catchment Management Authorities
- Environmental Trust – state government
- Envirofund
- Murray Darling Basin Authority
- Federal Government
- Industry - sponsors

3. Apply for funds & resources

■ Opportunities for assistance

- Other recreational fishers
- DPI Aquatic Habitat unit
- Local environment officers

4. Plan well but start quickly

- **good planning is essential**
- **consider time frames**
- **consider risks e.g. weather**
- **be realistic!**
- **give your project a head start**

5. Spread the word in your community

- who knows about it?
- contact local media and promote your work
 - radio
 - TV
 - websites
 - fishing magazines
 - local papers
- encourage others to get involved

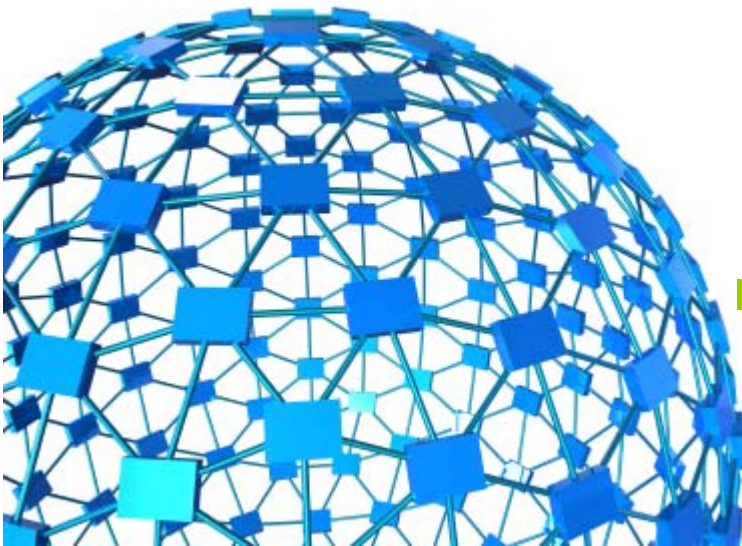

Options for keeping in touch

■ A habitat network?

- web-based
- mentor program
- meetings
- electronic newsletter - Newstreams
- mail outs

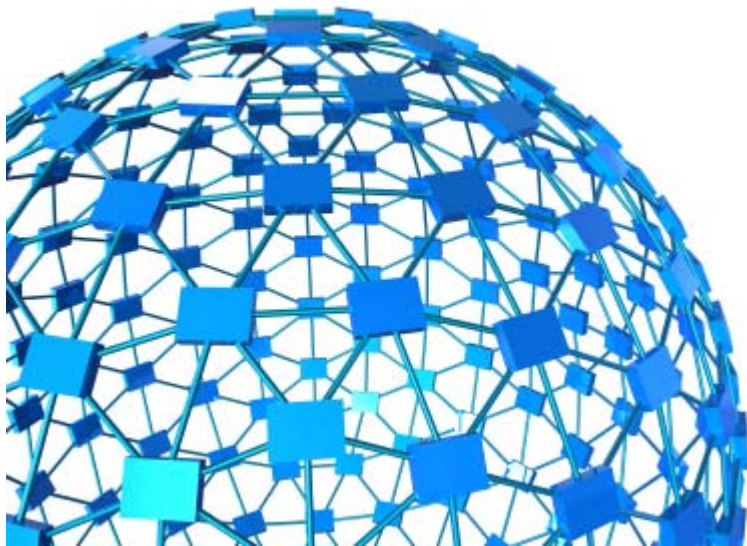

■ Contact details

Options for keeping in touch

■ Web based options

- Blogs
- Twitter
- Online forums
- Myspace
- Facebook
- Wiki
