## NSW Charter Fishing Business Determinations Register

### Important information and disclaimers:

Ownership of charter fishing businesses can change. The information below is accurate on the day of issue (as specified above) only. Financial decisions or commitments should not be made on the basis of this information alone. This information will be updated regularly and posted on the NSW DPI 'Charter Fishing' website until such time as a live version becomes available via FishOnline.

| Fishing Business Owner Name         | FB Number | Component(s) *            |
|-------------------------------------|-----------|---------------------------|
