FisherDirect Account

Yes ☐

No ☐

FisherDirect is a secure online self-service business system built specifically to provide commercial and charter fishing business owners, fishers and their appointed agents with access to their business information and transactions 24/7. FisherDirect is quick, easy and simple to use.

Note: the email address supplied on this form must be unique to each individual customer as it will be used as your FisherDirect username.

FisherMobile Account (Commercial Fishers Only)

Yes ☐

No ☐

FisherMobile is a secure mobile App that has been developed to enable the reporting of commercial fishing activity information by authorised fishers using mobile devices such as smart phones and tablets/iPads.

"Opt In" as a Digital Authority Customer (excluding Charter Operators)

Yes "Opt In" ☐

No ☐

Current NSW commercial fishing licence holders OR customers who own a NSW commercial fishing business can choose to hold their fishing authorities digitally. Dual charter/commercial operators are not eligible to opt in. Digital authority access is applied at the customer level, accordingly ALL authorities relevant to your customer registration number will be adjusted as directed by this application. Any current plastic cards in your name will be cancelled and become invalid. New digital authorities will become instantly available. No waiting period is required. For more information see: Digital Authorities Information Sheet. If you are a commercial fishing licence holder and you wish to view your digital authorities, you will also need to apply for a FisherMobile account (tick yes above under FisherMobile Account).

If you are applying for a FisherDirect account so that you can act as an agent on behalf of:

- A company that owns a fishing business and/or
- A partnership business and/or
- A commercial fishing licence holder and/or

Your nominee will need to authorise you to be their agent by completing an Agent Authorisation form. (Form FOL2) available on the DPI website. [FisherDirect Agent Authorisation Form](#)
