

NSW JOHNE'S DISEASE CALF ACCREDITATION PROGRAM (JDCAP)

Incident report form

The purpose of this form is to record any events concerning the JDCAP calves and heifers on this farm that might result in them having contact with adult cattle or other susceptible species, or the faeces or effluent from adult cattle or other susceptible species.

Events should be recorded within 48 hours of their occurrence. This form should be reviewed by the farm's approved vet on their next visit to the property. The approved vet should initial each event line to indicate that it has been discussed and the future management of the calves has been reviewed.

Date of the incident	What happened?	Corrective action What did you do to fix the problem?	Vet initials (date)	Preventative Action Notes – future management
