

# Section 37 & Section 216 Broodstock Collection Permit application form

|                        |
|------------------------|
| Office Use Only<br>INW |
| Initials & Date        |

This form is to be completed in full when applying for a permit under section 37 of the *Fisheries Management Act 1994* to authorise a person to take and possess fish or marine vegetation for any purpose prescribed by the regulations and any other purpose approved by the Minister that is consistent with the objects of the Act.

An application fee applies (refer to the current fee schedule).

**Is this a new application or a renewal of an existing/expired permit?**

- ☐ New Application
- ☐ Renewal      please provide the existing/expired Permit Number \_\_\_\_\_

## 1. Applicant details

| Details required                                            | Give details in space provided                                                   |
|-------------------------------------------------------------|----------------------------------------------------------------------------------|
| <b>Name of applicant</b><br>(or company name if applicable) |                                                                                  |
| <b>Postal address for all correspondence</b>                | Address<br><br>Suburb<br><br>State                                      Postcode |
| <b>Contact details</b>                                      | Contact Person<br><br>Home/Work/Mobile no.                                       |
| <b>Email</b>                                                |                                                                                  |

## 2. Permit details

Aquaculture Permit number \_\_\_\_\_

### 3. Broodstock species and number proposed to be collected

If you are applying to collect Murray Cod, Golden Perch or Australian Bass please complete Table A. Refer to the information available on broodstock genetic regions on the DPI website at [www.dpi.nsw.gov.au/fishing/aquaculture](http://www.dpi.nsw.gov.au/fishing/aquaculture)

**Table A**

| Species | Location | Genetic Region | Number |
|---------|----------|----------------|--------|
|         |          |                |        |
|         |          |                |        |
|         |          |                |        |
|         |          |                |        |
|         |          |                |        |
|         |          |                |        |
|         |          |                |        |
|         |          |                |        |
|         |          |                |        |

If you are applying for any other species, complete Table B.

Please provide maps of the locations that you propose to collect the species listed in Table B.

**Table B**

| Species | Location | Number |
|---------|----------|--------|
|         |          |        |
|         |          |        |
|         |          |        |
|         |          |        |
|         |          |        |
|         |          |        |
|         |          |        |
|         |          |        |
|         |          |        |

## 4. Location

Is the location: ☐ saltwater or ☐ freshwater

Are any of the locations in a:

Aquatic Reserve ☐ Yes ☐ No

Marine Park ☐ Yes ☐ No

Culturally Significant Area ☐ Yes ☐ No

National Park ☐ Yes ☐ No

If **yes** to any of the above, you must provide details.

Please also advise if you have already consulted with Fisheries, Marine Parks or any other authority.

## 5. Method

What method(s) will be used for collection?

☐ Net ☐ Set Line ☐ Trap ☐ Rod / Line ☐ Other

| Details required               | Give details in space provided                                  |
|--------------------------------|-----------------------------------------------------------------|
| <b>Nets</b>                    | Type<br><br>Number<br><br>Dimensions (length, width, mesh size) |
| <b>Traps</b>                   | Type<br><br>Number<br><br>Dimensions                            |
| <b>Setlines</b>                | Number                                                          |
| <b>Other</b><br>Please specify |                                                                 |

## 6. Declaration

The information I have provided in this application is true and correct in every detail.

Name

Signature

Date

**Note:** Under the *Environmental Planning & Assessment Act 1979*, any proposed activity that is likely to have an impact on threatened species, endangered populations, endangered ecological communities, or their habitats, will need to address the requirements of Section 5A of the *EP&A Act 1979* (7 Part Test). If the assessment indicates that a significant effect is likely, then a Species Impact Statement (SIS) must be prepared. This will need to be lodged with NSW DPI **BEFORE** this application is processed.

## 7. Submitting your application

**WARNING:** Any person convicted of introducing noxious fish into the waters of NSW is liable to a maximum penalty of \$5,500 (\$11,000 for a corporation).

- Any enquiries and applications should be forwarded to [fisheries.permits@dpi.nsw.gov.au](mailto:fisheries.permits@dpi.nsw.gov.au)

## 8. Payment details

To pay the application fee by credit card, fill out the credit card authority below.

Credit card details will be destroyed appropriately following processing of payment.

| Details required                               | Give details in space provided                                    |
|------------------------------------------------|-------------------------------------------------------------------|
| Type of card                                   | <input type="checkbox"/> Visa <input type="checkbox"/> MasterCard |
| Cardholder name<br>(as it appears on card)     |                                                                   |
| Card number                                    |                                                                   |
| Expiry date (month/year)                       |                                                                   |
| CVC number<br>(3 digit number on back of card) |                                                                   |

Note: a surcharge applies to the following cards:      Visa 0.4%, MasterCard 0.4%

Personal information collected by way of this Application is subject to the Privacy and Personal Information Act 1998. You must provide the information in order for NSW DPI to assess this Application. NSW DPI may use the information, and disclose it to authorised agencies, for related administration or research purposes. The information may be pooled in a manner not identifying individuals to form industry-based statistics.
