

Botany Bay - Woollooware Bay

Closure

NSW DPI 16 May 2018

Coordinates are shown in WGS84

Notice to Map Users
Additional closures may apply. Primary Industries and its employees disclaim all liability for any actions or consequences arising from the use of this information. This map is not to be used for navigational purposes as it is indicative only and not guaranteed to be free of error or omission.

Closed Waters

The whole of the waters of Woollooware Bay within the boundaries of a line drawn from the northern extremity of Taren Point to the port channel marker situated approximately 600m north, north-west from the western extremity of Pelican Point, then from that channel marker in a south-westerly direction to Shell Point, then following the foreshore in a northerly direction to the point of commencement.

Prohibited Species

Any species of shellfish (Class: GASTROPODA / BIVALVIA).
